

Elk Master List February 13, 2020

Specific proposed changes for 2020-21 are listed below. All other season components except calendar year rotation are proposed unchanged from 2019.

Note: During its Dec. 5 meeting the Fish and Wildlife Commission voted to modify some of FWP's original proposals by removing or not implementing shoulder seasons in 18 hunting districts (HDs 390, 391, 411, 417, 419, 445, 447, 502, 510, 520, 575, 511, 530, 540, 560, 570, 580 & 590). The original FWP proposals were publicly available prior to the Dec. 5 meeting. **Proposed changes to the December commission adoptions are highlighted in yellow below. NOTE: For clarification, 'dead week' is the week between the end of the general archery-only season and the start of the general rifle season.**

FWP is proposing that for licenses listed in the Deer/Elk/Antelope regulations for specific hunting districts or multiple districts, the commission allow the purchase of up to three elk licenses under the following conditions:

1. Only one license may be valid for an antlered bull.
2. For any combination of three licenses, at least one license must be either purchased by surplus sale or an LPT specifically identified by the commission for use as a third-license option. Examples of such a combination include, but may not be limited to:
 - a. One A license valid for an antlered bull, one antlerless B license acquired by drawing or over-the-counter purchase, and one antlerless B license purchased through surplus sale.
 - b. One A license valid for an antlered bull and two antlerless B licenses purchased through surplus sale.
 - c. One antlerless B license acquired by drawing or over-the-counter purchase and two antlerless B licenses purchased through surplus sale.
 - d. Two unlimited antlerless B licenses purchased over-the-counter (but valid for different districts or multiple districts as outlined below) and one antlerless B license purchased through surplus sale.
 - e. Three antlerless B licenses purchased through surplus sale.
3. A person may purchase only one each of hunting district or multiple-district unlimited B licenses available over-the-counter (e.g. only one Region 2 unlimited 002-00, only one Region 3 unlimited 397-00), but may buy two such licenses if they are valid for different areas.
4. A third elk licenses could also be acquired as a specific license type identified by the commission. These would include those antlerless B licenses valid during late shoulder seasons.

REGION 1
